

Prior + Partners: Urban Designer and Masterplanner Opportunities

Prior + Partners have immediate opportunities for Urban Designers and Masterplanners to take a central role on prominent masterplanning and regeneration projects across the UK and internationally.

About the role:

Prior + Partners is a specialist placemaking practice integrating masterplanning, planning and economics to unlock the potential of places and communities

Our portfolio includes major urban regeneration projects as well as new settlements for UK clients including The Crown Estate, Homes England, and Lendlease, as well as many Local Authorities including in London, Birmingham, Southampton and Bristol. Internationally, our work includes supporting the Royal Commission of AlUla Saudi Arabia in the articulation and implementation of their strategic vision, regional development framework, and detailed masterplans, to our ambitious 468 ha innovation district masterplan for Google at Moffett Park in California, and the Kingdom of Bhutan in developing their vision and structure plan for the capital city of Bhutan.

In line with our portfolio, we have immediate opportunities for Urban Designers and Masterplanners who have a demonstrable commitment to shaping successful places and communities to the highest standard. Your workload will include a range in scales, from major regional frameworks to site level masterplans and development strategies.

We're looking for:

We are looking for candidates from graduate level and those with up to 10 years' experience that can demonstrate skill and experience in the following core areas:

- Housing-led and mixed use masterplanning projects;
- Place visions and strategic growth opportunities;
- Successful outline planning applications;
- Design coding at all scales;
- Within project teams and working in multi-disciplinary environments.

The ideal candidate will also have:

- An architectural background with RIBA Part 2 (or a masters in urban design), or a landscape architecture background with relevant qualification;
- Excellent drawing and graphic presentation skills and the ability to explain design ideas and evolution of a concept;
- Strong written and verbal communication skills, excellent report writing abilities.

If this sounds like you, please get in touch via email with your CV, portfolio and any relevant working permits - careers@priorpartners.com. Please note that only applications made directly to our recruitment mailbox will be considered for the position.

Salary will depend on experience, and we will offer the opportunity to further your career as well as knowledge of other disciplines within the practice, with our multi-disciplinary team including urban designers, architects, planners, place economists, spatial data scientists and public realm specialists.

Prior + Partners is an Employee-Owned Trust and an equal opportunities employer committed to creating an open, respectful environment where people can build lasting careers and do their best work. We welcome applications for those returning to the profession from a career break.
